Profile

Highly skilled and motivated Backend Developer with 2 years of experience in designing and implementing efficient and scalable software solutions. Proficient in multiple programming languages and frameworks, adept at problem-solving and collaborating with cross-functional teams. Seeking a challenging role to leverage my expertise and contribute towards building innovative and cutting-edge applications.

Work Experience

- Developed and maintained complex web applications using Java and Spring framework, resulting in improved functionality and enhanced user experience.
- Collaborated with cross-functional teams to design and implement scalable and efficient backend solutions, reducing server response time by 30%.
- Implemented robust APIs and integrated third-party services, enabling seamless data exchange and enhancing overall system performance.
- Conducted thorough code reviews and implemented rigorous testing procedures to ensure high-quality and bug-free software delivery, resulting in a 20% reduction in post-release issues.

Skills

- ESSENTIAL SKILLS

Express, Node	Professional
SQL, NoSQL	Professional

- ADDITIONAL SKILLS

Problem Solving	Professional
Machine Learning	Professional

Education

9/2021 – 9/2025 ZAGAZIG, EGYPT

Computer Science | Very Good Zagazig University

Zagazig University is one of the Egyptian universities which was established to contribute to the renaissance of Egypt.
